

Dear Women Of St. Giles;

I am honored to welcome you to another year of the Council Of Catholic Women (CCW) activities at St. Giles! We the executive board, Jeanne Gallo, Marianne Stefanski, Donna Zych and I, look forward to sharing social and spiritual activities throughout the year. We welcome all women of our parish to participate in things that interest them personally.

The National Council Of Catholic Women (NCCW) celebrates its' 80Th Birthday this fall, and hosts a national celebration / conference here in Chicago! The NCCW encourages members to embrace one another in times of joy and challenges, facilitate personal growth, develop quality personal relationships and supportive friendships. Our events and activities focus on these themes as well as provide leadership opportunities and service to the women of our parish. We are here for you!

There are so many friendly, talented and dynamic women in the St. Giles' CCW group! We look forward to seeing you at many of our worthwhile, rewarding and fun events this year. Please join us in serving our parish and one another during the 2011-2012 year! Feel free to contact me directly with any questions or concerns, (708) 358-0535 or jlarscheid@sbcglobal.net. Your ideas and suggestions are always appreciated!

Warmest Regards;
Judy Larscheid
