A Great Asset to Leave to St. Giles Parish:

IRAs, 401(k)s and other qualified retirement plans

Many people don't realize that their qualified retirement plan (traditional IRAs, 401(k)s, etc.) will be taxed when they leave them to individuals at the end of their lives. For most of us, that makes our retirement plan a preferred asset, from a tax standpoint, to leave to St. Giles Parish. When I leave my retirement plan to my parish, my parish keeps 100 cents on the dollar. When I leave it to an individual, depending on their tax bracket, they might only keep 75 cents on the dollar. For those of us with taxable estates (\$3.5 million or more in 2009) our loved ones could easily

see less than 50 cents of every dollar in our retirement plan with the rest going to pay taxes. Making St. Giles Parish the payable-on-death beneficiary of our retirement plans is like having federal, state and local government chip in 25%, 30% and in some cases more than 50% of our charitable planned gift to St. Giles!

If you'd like information on leaving some or all of your retirement plan to St. Giles Parish, call Rich Goode at 312/534-7848.
