

What's in a "WELCOME TO AMERICA! Pack?"

The following list includes all of the items that **must** be provided in a Welcome Pack. The items do not need to be new, gently used items in good condition can be included. This general list is set with a family of 4 in mind, but of course, refugee families vary in size just like ours! Informing us of your goal date ASAP will ensure that we can get you the most information about the family you will serve as early as possible! Then you can appropriately modify those items marked with a star (*) once you know how large or small the family is.
