

**MY COMMITMENT TO SERVICE
2011-2012**

"What you do makes a difference,
You have to decide what kind of difference
you want to make."

Jane Goodall

=====

I commitment my gifts and talents in serve others this year for those in my parish community, school and neighborhood community at large.

Each month I will dedicate three (3) to four (4) hours to being a person in service of others.

I understand that being a person of service is a life-long habit that I live as part of the baptismal call I received as a disciple of Jesus Christ, and as a member of the universal Catholic Church.
