

# SPONSORS NOVEMBER UPDATE

The last week of October the Confirmation Class of 2012 met for their first Small Faith Group.

Except for December, these groups meet the 4<sup>th</sup> week of each month from October through April. This past month's meeting explored the dimensions of spirituality and vocation. Each candidate had the opportunity to complete their own Spirituality Profile, determine what Season there are in for the Callings of their lives, and they began to outline their personal Spiritual Path Plan.

## Questions to ask your confirmandi when you contact them this month:

- What is your strongest spiritual dimension?
- What is the spiritual dimension you need to work at most?  
How can I assist you to strengthen that dimension?
- What are the vocational callings your learned?  
Where do you see yourself in these callings now?  
What about in high school? Will they change?
- Does the name you chose for Confirmation reflect or support what you discovered about yourself in the small faith group activities?

**Remember you are their guide on this journey of faith**
