

# *The Exciting Downhill Slide*

Remember when you were little and you went sled riding on the highest hill you could find? The trek up the snowy, icy hill, pulling your sled seemed to take forever. Would you ever reach to top? And, when you did, would the ride be worth all the work?

Of course, the answer was “Yes, it was worth it!” Because the downhill slide on a fast sled with snow all around you and the wind in your face makes you realize that the uphill climb was what made this exhilarating experience possible.

That is where we are now with our *Foundations of Faith* capital campaign. We have climbed the hill and have surpassed the **\$2 MILLION MARK!** We are now on the downhill slide. With so many parishioners still to make their decisions about financially supporting this effort, we know that reaching our \$2.25 million goal is possible. Together we can ensure this ride has a glorious finish – please join us! St. Giles Parish is worth it.
