# Yarns 'n Prayers

# St. Giles Prayer Shawl Ministry

News from the 4th Quarter, 2022

# 1- Do you know someone in need of our community's prayers?

You may not be able to make things to carry our prayers to those in need, but, if you know of someone who needs our prayers, you can get a shawl, blanket or other item from the Parish Center and give it to that person. If you can't physically do that, call the Parish Center with your information about where and to whom and why to send something and ask that it be passed to some one of us who can do it.

# 2- There is no charge for this

but donations of yarn, or money to buy yarn, are appreciated to carry on this ministry.

# 3- Do you knit or crochet or sew or weave and would you like to participate in this ministry?

We gather at the Parish Ministry Center on the second Monday of each month at 1 PM to bless and record new shawls and blankets, share patterns and ideas, and get yarn for new projects. Attendance is not required. You can join this ministry by making at least one shawl or lap blanket. If you need yarn to do this, you can get some from our stash. Send your contact info to Paul Joseph Schleitwiler, FCM to be added to the roster

# 4- Do you have a story to share about prayer shawls or blankets?

Or other things related to this ministry or the making of shawls and blankets? Did something in this newsletter inspire you to comment about it?

Share what you have to say by email to pjschleitwilerfcm@yahoo.com

#### What More Can I Do?

Your prayers for those who receive these tangible signs of our care and God's love are the heart of this ministry.

# Join the Prayer Shawl ministry.

It's like AA in some ways. We meet regularly to discuss how we have dealt with our addiction. We always have someone who will listen with sympathy and support who has shared our experience. We recognize fellow addicts and invite them to join us. But we are not trying to solve our addiction, just get rid of guilty feelings since it's for a good cause.

## For the third time, a new group

has formed following our example. Mary Ellen Lesniak's daughter, Meg, in Burlingame, California has started a prayer shawl ministry with the school Mother's Club. Mary Ellen reported, "Meg has asked several times for me to send her a prayer shawl for someone she knew who needed that kind of support. The first was for her mother-in-law with cancer. Apparently the Mother's group has a mutual friend who is now in need, which prompted Meg to tell the group about our ministry. Someone in the group actually had a small blanket already made that she offered to share for this first recipient. I thought everyone would be pleased to know that their work is spreading."

This led to discussion about how we might support them. It was suggested we could put together a packet of info about our history and what works and host a Zoom meeting as we did with the group in Canada.

Mary Ellen said, "Great idea about putting together a packet. This is a group of moms who, my guess, are zoomed out. They have gone through two years or more of scheduling zoom meetings for themselves and their children. I believe what my daughter would like is a packet of prayers and some information. I would like to send the link to (our) news letter, measurements for shawls, and prayers along with picture of the labels."

Annette Hulefeld offered, "I have a perfect light colored shawl that would be very appropriate to send as a welcome gift to this new group starting up. I'd be very happy to send it on behalf of all of us along with prayer card and pattern." They have sent two prayer shawls to women dealing with cancer. The prayer shawl that Annette sent was also sent to a woman who lost her husband.

As Mary Ellen suggested, we have added this group to our prayer list. May their efforts be as successful and rewarding as ours have been.

### **Statistics for the Quarter**

Crafters made 45 shawls, 5 blankets and many blessing squares, hats, scarves and mittens this quarter.

blankets, all the hats, scarves and mittens and many

blessing squares.

The total number of people reached by our prayers and for whom we continue to pray keeps growing. The thanks we have received show how our prayers have been welcomed. Even those who do not make something add their prayers to this ministry we all share.

# We continue to grow

4th Qtr

Three new crafters joined the Prayer Shawl ministry in December bringing the number of regulars up to thirty-nine. There are also about another dozen who contribute but have not formally joined. If you knit, crochet, sew or weave, you can help make comforting items to carry the prayers of the whole church to those in need of them.

When you have finished a project, the leftover yarn can be used to make blessing squares.

# Find inner peace with crochet

A husband and wife had been married for 60 years and had no secrets except for one. The woman kept in her closet a shoe box that she forbade her husband from ever opening. But when she was on her deathbed—and with her blessing—he opened the box and found a crocheted doll and \$95,000 in cash.

"My mother told me that the secret to a happy marriage was to never argue," she explained. "Instead, I should keep quiet and crochet a doll."

Her husband was touched. Only one doll was in the box—that meant she'd been angry with him only once in 60 years. "But what about all this money?" he asked. "Oh," she said, "that's the money I made from selling the dolls."

# **Our Blessing for Shawls and Lap Blankets**

(adapted from Janet Severi Bristow - 2000)

May God's grace be upon these shawls and blankets ...

warming, comforting, enfolding and embracing.

May these mantles be a safe haven ...

a sacred place of security and well being ...

sustaining and embracing in good times as well as difficult ones.

May those who receive these shawls and blankets be cradled in hope, kept in joy, graced with peace,

and wrapped in love.

Blessed be!
